

SALEM RESTRICTED-USE SITE

There will be **No Charge** at the restricted use site on **Saturday, October 22nd** and **Saturday, October 29th**.

As a reminder to those using the restricted use site, Residents of the City of Salem delivering their yard wastes for disposal to the restricted use site compost area shall be delivered in a covered or tarped vehicle, or bagged in biodegradable bags designated for yard waste, if in plastic bags the bags must be emptied and removed from the site by the resident. Trees, branches and untreated lumber delivered to the open burn area shall be delivered in a covered or tarped vehicle, or be secured so as not to allow material to fall or be blown off the vehicle while in transit. Failure to deliver the load in an approved manner as set forth in the previous sentences will result in a mandatory cover fee, charged at the rate of \$15.00 per vehicle. Each customer or resident availing him or herself of the disposal site shall deliver and empty the bags to a restricted use site as designated and pay the fee as established.

The Restricted Use Site will be open on **SATURDAYS ONLY** starting October 29, 2016, 10AM to Noon and 1PM – 4PM and close will be closed December 2016 – March 2017 for the season.
