Mayor called the meeting to order and stated the reason for the meeting was to discuss the armory building and Senior Meal Program's use of the kitchen/dining area.

For the Senior Meal Program to use the armory the kitchen would need to be remodeled as a Commercial Kitchen. A quote for equipment was reviewed by the Council.

Glenda Blindert was present to explain that she has been collaborating with Jenni from the Backroads to try to establish a new place to house this program. The school kitchen is being used through the end of July.

- Costs associated with a commercial kitchen – stove, hood, stainless steel counters, cupboards, flooring will run over \$80,000.

It was determined, to continue looking at the remodel for the program. Firmer costs associated with this remodel and the bid process will be reviewed at the July 11th meeting.
